# The Hydrant

Welcome to our doggle dog world!

Happy Birthday to:

2/2 Cody Hechtman, 2/5 Duncan Plotkin/Yellen, 2/6 Cody Foley, 2/14 Rusty Barnett, Petey Walker, 2/17 Socks Longmiller, 2/18 Sir Lancelot Powell, 2/19 Hazie & Buddy Shindler, 2/25 Max Hayden, 2/28 Rowdy Ullrich. Did we miss anyone?

Happy Valentine's Day! Don't forget to look for the Ground Hog's shadow on Feb 2nd.

Despite the extreme cold, we are still having lots of fun playing with the dogs each day. Please remember we are open Mon-Fri 6:30-6:30 no matter what the weather is like. If it's too cold for you to take your pooch on a walk, please bring him/her here for us to help exercise them for you!

Don't forget to reserve a spot (boarding) for your dog over spring break. We ask for a \$50 deposit and we are almost full for the last week of March.

Keep your pet fit & trim. A majority of dogs are overweight, & those extra pounds increase the likelihood of serious health problems, such as arthritis, diabetes & cancer. If your pet is overweight,

ask your vet for help to reduce weight slowly and how to avoid the health risks of sudden weight loss if that occurs.

### Dog of the Month! Bailey Kontny!

Bailey is a Husky Mix & will be turning 3 in April. She has been coming to daycare since October 2007. She comes in so full of energy & plays great with all of her friends. In the early afternoon she's in a daze because she is so exhausted! We enjoy having her help with new daycare dogs since she is so outgoing & can usually get anyone to play. She also loves to go after the hose and swim in the pool. We are happy to have you here with us Bailey!

### What's happening!

**New Arrivals:** Colby Haggerty, Cocoa Hansen, Rudy Jaracz, Maia Masloski, Rio Parsons. **We're glad to have you all here with us!**
